Thoughts on the Scripture

What Else Did John See Up There? By Bill Randles

'And from the throne proceeded lightnings, thunderings, and voices. Seven lamps of fire were burning before the throne, which are the seven Spirits of God. Before the throne there was a sea of glass, like crystal. And in the midst of the throne, and around the throne, were four living creatures full of eyes in front and in back.' Rev 4:5-6

The Apostle John has been taken "In the Spirit" into the very throne room of God, to record for us the "Things which he has seen", as part of the Revelation of Jesus Christ. ...

John saw,

*Lightnings and thunderings and voices proceeding out of the throne- This takes us back to Exodus, and the truly awful scene of the giving of the law of God on Mount Sinai. There also the lightnings, thunderings and voices were heard, to the great terror of the people. ... Lightning, thunder and voices are a revelation of the awesome power of the One who sits on the throne, as well as of His willingness to use that power to bring to judgment all that is evil, false, sinful, rebellious on earth. God is going to shake everything that can be shaken, He is going to soon use his power to destroy evil once and for all.

...

* A Sea of Glass like Crystal – Before the Throne, John saw a sea of glass, crystal clear and smooth. The Nations of the world in scripture are likened unto the turbulent sea. Raging waves, foaming, dashing against rocks, waves breaking in roiling chaotic power, such is the troubled history of mankind. ... But in heaven and before the throne of God, Man's turbulence is finally stilled, at the revelation of Jesus. No more strife, war, envy, murder, no more jealousy, covetousness, nor lusts. Gone are internal conflict, guilt, rage, pride, and above all God estrangement, for someone with power has spoken with a word of authority to the Raging waves of humanity, saying "Peace be still"!
